CAREER OBJECTIVE

I am a student at the Bhagwan Mahaveer College of Engineering and Management with a major in Computer Science. I am passionate about pursuing my major in Computer Science. I had previously completed two virtual internships as a Frontend Developer. I have a good command of C/C++, and I am a beginner with JAVA . I possess good communication skills, leadership skills, teamwork & management, and an optimistic & analytic approach toward my work. I aim to be an SDE at one of the top IT companies.
